SPREAD YOUR PAYMENTS OVER 3, 6, OR 12 MONTHS!

WHAT WILL YOU NEED TO GET STARTED?

- Valid Checking Account
- Valid U.S. Identification

When is First Payment Due?

The first scheduled payment (after the down payment) is electronically debited from your checking account in 30 days. Payment is taken electronically by ACH (Automated Clearing House). BCMS handles the future payments so you never have to worry!

What Do You Need to Sign Up?

All you need to sign up for the Check 180 Program are a valid Driver's License/Government ID and an acceptable checking account. You will fill out a customer agreement form and write out a check for 25% of the total financed amount.

What is the Approval Rate?

With the Check 180 Program, nearly 97 out of 10 people are approved. Approval is based on a recent checking and bill payment history—NOT your income or credit score. There is no application. An approval is determined within minutes of inquiry.

WHAT IS BCMS CHECK 180 FINANCING?

In this challenging economy, you need an affordable payment option. Rather than paying for your purchase up front or by credit card, you can stretch your payments over a 3, 6, or 12 month period! The entire purchase is split up into small, affordable amounts. The BCMS Check 180 Financing Plan is the perfect solution for your financial needs.

HOW DOES IT WORK?

The BCMS Check 180 program is simple. One check is written by you at purchase. The initial payment is only 25% of the total with a balance of 75% being split and debited evenly over the 3, 6, or 12 month term that you select. Payment installments are automatically withdrawn evenly in approximate 30 day increments from purchase date. It's that easy!

WHAT IS APPROVAL BASED ON?

With the BCMS Check 180 Program, approval is based on your recent checking and bill payment history—NOT YOUR CREDIT SCORE! There is no application and approval is determined within 5 minutes of inquiry.

BCMS CHECK 180 FINANCING FEES:

The BCMS Check 180 Financing Plan is affordable. There are two fees associated with this payment plan: the Warranty Fee and the Transaction Fee.

- The **Warranty Fee** is the interest rate, refer to an associate at the place of business for this rate.
- The **Transaction Fee** is \$2.95 per transaction. This fee is charged each time you make a payment.

WHAT ARE THE BENEFITS TO YOU?

- **NO SET INCOME IS NEEDED**
Approval is not based on your income
- **NO HASSLES**
Payments are automatically withdrawn from your checking account
- **NO WAITING**
Receive your purchase today and pay for it on your budget terms

WHAT DO YOU NEED TO GET STARTED?
